There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches or left at ringside. We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall or in an open car in the car park. **Exhibit numbers must be displayed on all crates/cages**

**IMPORTANT INFORMATION REGARDING IDENTIFICATION OF DOGS**

It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage, or container at all times.

This is particularly important when cages etc. are not on benches, and at unblenched shows.

Each exhibitor is responsible for providing their own cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

There will be a short drop-in titre testing clinic (Dogs are not shaved)

## **YOUR JUDGES FOR THE DAY ARE:**

### **BIS Nicky Ackerley-Kemp – Yennadon**

My involvement in Gordon Setters began in 1980, and the Yennadon affix was granted to my late mother and me in 1986. My involvement in dogs covers three disciplines: showing, field trialling and breeding. I am honoured to be the only person to have achieved A list show judge and A panel field trial judge in Gordon Setters.

Yennadon has produced 13 Champions and 2 Show Champion. This includes the three-times winner of the Champion of the Russian Federation, Champions in New Zealand and Germany, UK and Dual Champions and Grand Champion in the USA.

Since owning Gordons, I have travelled the world in pursuit of increasing my knowledge of the breed, including Russia, Australia and Europe.

I have judged Gundog Groups and am delighted to award BIS at Cornwall Gundog.

### **Rita Cemis**

I have owned Welsh Springer Spaniels and Irish R & W Setters since the mid-eighties. I am passed to give tickets in both breeds and already judged them both at Champ show level. Over the years I have made up 3 Welsh Springer Spaniels.

### **Claire Hill – Rosgar**

### **Mandy Primmer - Amanshe**

### **Linda Lewis – Tangaer**

I acquired my first Irish Setter, a Wendover, over 60 years ago. There were my great love for many decades. I eventually started showing this lovely breed in 1980 followed by breeding the occasional litters and some judging. I have judged many gundog breeds over the years at Open Shows.

In 1998 I judged my first classes of Irish Setters at Caledonian show in Scotland where I saw my first BGV (Petits) & instantly fell in love. I acquired my first PBGV in 1985. I have made up almost 30 Champions and have give CC's in the Petits & Grands many times including both breeds at Crufts. In 2013 my BOB Petit went on to be awarded Crufts BIS. I just love my dogs.

### **Joanne Moody**

Labradors have been in the family since I was four years old. I bought my own Labrador when I was seventeen and started showing them a few years later, having got the bug for showing Yorkshire Terriers prior to this.

13. 14. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not

15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.

16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.

#### **17. DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and The Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

18. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under The Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by The Kennel Club. This shall apply at the venue or within the precincts of the show.

19. Not for Competition: Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. 20. No modifications will be made to the schedule except by permission of the Board of The Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
